177 Horse Training: How to Talk to Your Horse
Intermediate Level

This intermediate-level project may be taken a maximum of 2 years. Members have two (2) options to complete this book in its entirety.

Members do not need to purchase a new book each year. Instead, they will need to complete additional items under each interest area. Keep all of these activities in a notebook.

Members must have access to at least a yearling animal for their first year in the project and a two-year old or older to complete the book their second/third year. Members may choose, but are not required to, take this book in correspondence with a 4-H Production project. The production yearling can be used to complete the first year’s requirements and can be used to finish the book the next year as a two-year old. If the production animal is sold before the second year, the member can use a mature horse to complete the project.

General Guidelines

1. Complete “Planning Your Project” supplement
   a. Explore Interest Areas as outlined below completing at least five (5) Things to Do in each required area.
   b. Document all completed Things to Do in your project notebook (3 ring binder). This notebook should be cumulative and contain documentation of all completed Things to Do for each year of the project.
   c. Take part in at least two (2) Learning Experiences.
   d. Become involved in at least two (2) leadership/Citizenship Activities.
   e. Write a one page report telling about what you have done and learned in this project.

2. View accompanying Basic Horse Training DVD

3. Complete the Equine Record Book (R190)

4. Bring to Interview Judging
   b. Project notebook.
   c. One page report.
   d. Equine Record Book.
5. **Option 1: Two Year Plan**
   a. **Year One: Weanlings and Yearlings** (use yearling for all demonstrations)
      i. Training: How Do I Talk to My Horse (p 7-20)
      ii. Training: Developing a Partnership with Your Horse (p 20-48)
         1. Yearlings
         2. Methods to Develop Respect and Control on the Ground
         3. Leading Refined
         4. Trailer Loading: Getting on is Okay
   
   b. **Year Two: 2-Year Olds and Older** (use 2-year-old or older for all demonstrations)
      i. Training: Developing a Partnership with Your Horse (p 48-87)
         1. Training the Two-Year-Old, the Three-Year-Old (or the Older Horse)
         2. The Basic Aids of Mounted Training
         3. Counter Cues
         4. Logs, Gates, Leads, and Flying Changes
         5. Common Horse Behavior Problems

6. **Option 2: One Year Plan**
   a. This whole book can be completed in one year by either using a yearling and a mature horse or by using a mature horse alone. Even if a horse is broke to ride, reviewing ground training is always a good idea. Mature horses and ponies can stand harder work and often learn quicker.
   
   b. Members taking both a production and a riding animal may also choose to take this project in one year, using each horse or pony under its appropriate section.
   
   c. **Members who choose to complete the book in its entirety in one year must have each section finished by judging.**

7. **Fair exhibit**
   a. For completion of this project, your horse may be exhibited at the Tuscarawas County Fair. If your horse is not exhibited, an educational display or 14” W x 22” H poster illustrating and describing some aspect of your project must be present in your club’s fair booth.
**Supplemental Member Project Guide: 177 Horse Training**

Tuscarawas County 4-H Guidelines – 177 Horse Training: How to Talk to Your Horse
Revised November 2014
Project Guidelines
For project guideline information, visit: go.osu.edu/tusc4-hguidelines

All project guidelines are available online. Only equine and livestock projects will receive guidelines with project book.
Guidelines need completed for Interview Judging. Members taking more than one project in the same interest area need to complete guidelines for each project and cannot use the same items to support both projects.

For a member to achieve the progression of goals needed for development, 4-H projects must be separate and different from those carried in other organizations such as FHA/HERO, FFA, Scouts, Camp Fire, grange, church, and school (including industrial arts class, science fairs, etc.).

Project Completion and Interview Judging
For more Interview Judging information, visit: go.osu.edu/tusc4-hjudging

Completion of a 4-H project may be achieved in one of two methods. Members must choose one of the following for evaluation, based on the completion of project guidelines and knowledge gained. All projects must be judged no later than August 7.

- **4-H Project Interview Judging** – All members are required to attend an Interview Judging evaluation to receive a project grade. All projects are evaluated using individual project guidelines. Club times will be assigned, and advisors will be notified of their club’s times. Members are strongly encouraged to attend at their club’s scheduled time.
- **Pre-Judging** – Pre-Judging is arranged in advance. Any member who is unable to participate in 4-H Project Interview Judging may participate in Pre-Judging. Participants will be ineligible for county awards and state fair participation. Contact the Extension office after June 1 to schedule an appointment. Post-Judging arrangements will be reviewed on a case-by-case basis if a member misses Interview Judging due to extenuating circumstances.

**Dress Code**
Clothing and footwear need to be neat, clean, and appropriate for a professional office interview. No blue jeans or shorts. Shirts/tops and skirt length should be conservative. Wear appropriate shoes (no flip flops).

**#201O Dog Obedience**
Judging dates are determined by the key leaders and will be distributed at the dog project information meeting.

**#588 The Writer in You**
Writings are due to the Extension office before Noon on Thursday, July 2, 2020.

**Shooting Sports Projects**
The Shooting Sports program is designed for 4-H members ages 9 to 18 (4-H age). Judging dates are determined by the key leaders and will be distributed at the Shooting Sports orientation meeting.

**Llamas/Alpacas Projects**
Tuscarawas County does not currently have a program in place for llamas/alpacas.
