

County 4-H Project Completion and Judging Overview 2024

Please carefully read this information; it may answer most Interview Judging or county fair questions.

Project Guidelines

For project guideline information, visit: go.osu.edu/tusc4-hguidelines

All project guidelines are available online. Guidelines need completed for Interview Judging. Members taking more than one project in the same interest area need to complete guidelines for each project and cannot use the same items to support both projects.

For a member to achieve the progression of goals needed for development, 4-H projects must be separate and different from those carried in other organizations such as FHA/HERO, FFA, Scouts, Camp Fire, grange, church, and school (including industrial arts class, science fairs, etc.).

Project Completion and Interview Judging

For more Interview Judging information, visit: go.osu.edu/tusc4-hjudging

Completion of a 4-H project may be achieved in one of two methods. Members must choose one of the following for evaluation, based on the completion of project guidelines and knowledge gained. **All projects must be judged no later than August 7, 2024.**

- *4-H Project Interview Judging* – All members are required to attend an Interview Judging evaluation to receive a project grade. All projects are evaluated using individual project guidelines. Club times will be assigned, and advisors will be notified of their club’s times. Members are strongly encouraged to attend at their club’s scheduled time.
- *Make Up Judging* – Make Up Judging must be arranged in advance. Any member who is unable to participate in 4-H Project Interview Judging during the regularly scheduled judging week may participate in Make Up Judging. Participants will be ineligible for county awards and/or state fair participation. Appointment times will open **June 1** and will be scheduled **online through SignUpGenius**. Make Up Judging arrangements for those who miss regularly scheduled judging due to extenuating circumstances will be reviewed on a case-by case basis. Not having a project ready in time for regularly scheduled judging is **not** a suitable reason to be judged after the fact.

Dress Code

Clothing and footwear need to be neat, clean, and appropriate for a professional office interview. No blue jeans or shorts. Shirts/tops and skirt length should be conservative. Wear appropriate shoes (no flip flops).

#2010 Dog Obedience, #2015 Dog Showmanship, and #201P Dog Performance

Judging dates are determined by the key leaders and will be distributed at the dog project information meeting.
