

198 Market Lamb General Requirements

All dates are listed on the Tuscarawas County Fair Livestock Requirement Summary.

1. All livestock projects must be owned, in continual care of the exhibitor, and registered by specified dates. An exhibitor is eligible to register a back-up animal.
2. All market lambs must be weighed-in, tagged, and tattooed by specified dates. Once a lamb is designated as a market lamb (whether it be a single lamb, back-up lamb, or the second lamb in a pair), it may not be exhibited in a breeding lamb class. **There shall be no replacement for any reason of the lambs declared at registration.**
3. A pair of market lambs consists of the member's single market entry plus a second lamb which is similar in likeness to the market entry. Only the single market lamb will sell through the Market Livestock Sale.
4. If you have a brother, sister, or half-brother or half-sister who are members of a Tuscarawas County 4-H club and reside in the same household, who have also registered lamb at the same time can designate a back-up lamb that may be shown by yourself or any of the above mentioned individuals. Those individuals (siblings) eligible to exhibit the back-up lamb must be so named at the time of tagging. (Example – If there are 2 (or more) members in your family, they tagged in 1-3 lambs per child, the extra lamb can be used as a back-up for any of the children, but must be so named at the time of tagging.)
5. Market lambs can be either ewes or wethers. **All lambs must be properly castrated and dehorned.**
6. All members must have a working knowledge of Sheep Quality Assurance (QA) issues and **are required to attend one QA session.**
7. Weigh lamb monthly and keep records in the Project and Record Book. **Do not keep records in the Resource Handbook.**
8. All livestock exhibitors are required to attend Interview Judging in order to exhibit their animal at the Tuscarawas County Fair. **Interview judging in this project will reflect individual's project experience.** Members are to bring completed (to date of Interview Judging) 198 Market Lamb Project and Record Book. If a conflict arises, a member may attend Pre-Judging by appointment only. Members are **not eligible** for county interview placing if they attend Pre-Judging.
9. Member should know for Interview Judging: 4-H Pledge, 4-H Motto, 4-H Colors, Pillars of Character, and show ring ethics.
10. Please add a feed tag each time you change feed.
11. All members must fill out a Health Treatment Form and maintain health and feed records. These records must be kept in the record book. Must bring project/record book to interview judging completed to date. **No sections in the record book are optional.**
12. In order to exhibit your animal at the Tuscarawas County Fair, a fair entry must be made (available from the Tuscarawas County Fair Book received at Interview Judging) and submitted to the Extension office by the deadline. **LATE ENTRIES NOT ACCEPTED.**

13. Members can only exhibit two (2) large animal projects which must be in different classes as indicated in the Tuscarawas County Fair Book. Members taking feeder calf, beef breeding, sheep breeding, or horse production may exhibit a third animal if they are enrolled in the corresponding market/horse project. Members are only eligible to receive money from a maximum of two revenue generating livestock sale projects at the fair, regardless of number shown.

Each exhibitor may exhibit at county fair 1 single market lamb and they may use that single lamb to pair up with their second lamb to be shown in the pair class. Only the single market lamb will be eligible to be sold at the market livestock auction. An award will be presented to the champion and reserve champion pairs.
14. All fair exhibitors are responsible to provide their own bedding for their animals and all pens MUST be kept dry and clean throughout the fair. Water must be available for your animal at all times. Following the loading out of animals, all exhibitors are responsible for a thorough cleaning of their pen. Make sure ear tag is clean and readable!
15. If weight requirements are not met, you are **not** eligible to exhibit. You are not eligible to sell your animal and it must leave the fairgrounds immediately.
16. It is best to select a meat breed of sheep for this project. Lambs need to weigh a minimum of 90 pounds at county fair.
17. Members must show their own animals in all confirmation classes unless an emergency arises and then a written permission form must be granted by the 4-H professional. The form must be on file during the show. Only another Junior Fair exhibitor can then exhibit that animal. Showmanship Classes – will be held immediately following conformation classes and is open to all Junior Fair Livestock exhibitors. No pre-entry is required and classes are determined by member's age as of January 1 of current year. Members MUST fit and show his/her own animal but during the course of the contest may be asked by the judge to show some other animal. Showmen are not allowed to have any helpers in the ring during the contest. Fair tabloid will give details of classes and further explanations.
18. The DUNF must be turned in at fair. This form can be picked up at the Extension office when the Fair Entry Form is turned in.
- 19. All market lambs must be slick shorn with five days prior to the show.**
20. Each 4-H'er may exhibit two large livestock projects of which they must be in different classes. (In beef & sheep breeding a member may exhibit a third animal if they are enrolled in the corresponding market project). Members are only eligible to receive money from a maximum of two revenue generating livestock sale projects at the fair, regardless of the number shown.
21. **It is suggested that large gifts are not to be given to your buyer following the sale of your animal.** Some buyers have to park far away (possibly off the fairgrounds) or may not be able to fit everything into their vehicle. ***Remember, your animal may not be the only one they purchase.*** Instead, thank your buyer personally at the fair, then make a follow-up visit with them to bring any items you may wish to give them.
- 22. Sale checks will be distributed in October.** Check with your advisor or our web site (<http://tuscarawas.osu.edu>) for dates, times, and location. To receive your sale check, bring completed 198 Market Lamb Project and Record Book along with your buyer thank you card (properly addressed with postage). **Please write legibly!**

If you have any questions regarding your project and your advisor is unable to answer your questions, please don't hesitate to contact the Extension office at 330-339-2337.

Revised February 2017

County 4-H Project Completion and Judging Overview 2021

Please carefully read this information; it may answer most Interview Judging or county fair questions.

Project Guidelines

For project guideline information, visit: go.osu.edu/tusc4-hguidelines

All project guidelines are available online. Only equine and livestock projects will receive guidelines with project book.

Guidelines need completed for Interview Judging. Members taking more than one project in the same interest area need to complete guidelines for each project and cannot use the same items to support both projects.

For a member to achieve the progression of goals needed for development, 4-H projects must be separate and different from those carried in other organizations such as FHA/HERO, FFA, Scouts, Camp Fire, grange, church, and school (including industrial arts class, science fairs, etc.).

Project Completion and Interview Judging

For more Interview Judging information, visit: go.osu.edu/tusc4-hjudging

Completion of a 4-H project may be achieved in one of two methods. Members must choose one of the following for evaluation, based on the completion of project guidelines and knowledge gained. **All projects must be judged no later than August 6.**

- *4-H Project Interview Judging* – All members are required to attend an Interview Judging evaluation to receive a project grade. All projects are evaluated using individual project guidelines. Club times will be assigned, and advisors will be notified of their club's times. Members are strongly encouraged to attend at their club's scheduled time.
- *Pre-Judging* – Pre-Judging is arranged in advance. Any member who is unable to participate in 4-H Project Interview Judging may participate in Pre-Judging. Participants will be ineligible for county awards and state fair participation. Contact the Extension office **after June 1** to schedule an appointment. Post-Judging arrangements will be reviewed on a case-by case basis if a member misses Interview Judging due to extenuating circumstances.

Dress Code

Clothing and footwear need to be neat, clean, and appropriate for a professional office interview. No blue jeans or shorts. Shirts/tops and skirt length should be conservative. Wear appropriate shoes (no flip flops).

#2010 Dog Obedience

Judging dates are determined by the key leaders and will be distributed at the dog project information meeting.

#588 The Writer in You

Writings are due to the Extension office **before Noon on Thursday, July 1, 2021.**

Shooting Sports Projects

The Shooting Sports program is designed for 4-H members ages 9 to 18 (4-H age). Judging dates are determined by the key leaders and will be distributed at the Shooting Sports orientation meeting.

Llamas/Alpacas Projects

Tuscarawas County does not currently have a program in place for llamas/alpacas.

Precise Schedules to be Announced				
Monday July 12	Tuesday July 13	Wednesday July 14	Thursday July 15	Thursday July 22
Equine (includes Horseless Horse)	FCS Related	Small Livestock (all goats, poultry, rabbits)	Dairy	Clothing and Style Review

	Miscellaneous		Sheep	
	#200 All About Dogs #201D You and Your Dog			

Member Evaluation Form

This form is due to our office no later than June 15, 2021.

This is available from the organizational advisor or online (go.osu.edu/tusc4-hjudging). It is to be **completed by the 4-H Advisor and parent/guardian** if they feel it is necessary that the judge should use special consideration concerning a 4-H member during Interview Judging.

State Fair Eligibility

For more State Fair competition or entry deadline information, visit: <http://www.ohiostatefair.com>

4-H members enrolled in non-livestock projects must attend regularly scheduled judging to be eligible to place in the county or be eligible to go to State Fair. 4-H members in clothing projects must participate in the county 4-H Style Review to be eligible to be selected for State Fair competition. No pre-judging participants will be considered.

County Fair

For more county fair information or to see the fair booklet, visit tusccountyfairgrounds.com.

Fair rules and show information are in the Junior Fair Supplement. Entry forms will be online only.

Of special note:

- **All Junior Fair exhibitors must have their official entries completed and signed by their parent/legal guardian regardless of age. The Tuscarawas County Extension office collects Junior Fair Entry Forms on behalf of the Senior Fair Board. All entries must be in the Extension office before by 4:00 p.m. on August 6, 2021. LATE ENTRIES ARE NOT ACCEPTED BY THE TUSCARAWAS COUNTY AGRICULTURAL SOCIETY – NO EXCEPTIONS.**
- Wristbands will be distributed only to members who have a yes (Y) in the Club Completion Column on their club's Completion Sheet.
- Members must have an exhibit at the county fair (as stated in project guidelines) in order to receive a fair premium. If there are circumstances where an animal is not able to be exhibited, a display or poster must be exhibited in the member's club's or county miscellaneous booth.

Tuscarawas County Livestock Ages

Disregard age guidelines as stated in record books.

Age is as of January 1 of current year.

Age: 8 - 11 Beginners

Age: 12 - 14 Intermediate

Age: 15 - 19 Advanced

*Unless it is their 1st year in the project then member advances according to age.

Example 1: Greg is 16, first year taking a hog. He is in beginner, 2nd year intermediate, 3rd year advanced.

Example 2: Mary is 12, last year was her first year taking a steer. This year she is in intermediate and will be until she is 15.

Example 3: Susie is 8, taking a goat. She will be in beginner project level for 4 years until she is 12.

135M Market Goat and 198 Market Lamb ID Information

For 2021, Tuscarawas County will not hold a county-wide tag-in process for market goats and market sheep. Instead, a registration form with pictures of the animal(s) head and scrapie tag in the ear will serve as proof of possession. The scrapie tag must be placed in the ear and **visible** in the pictures.

Complete the Project Registration Form – providing pictures and ID information for **ALL** primary and back up animals. One picture is to show the scrapie tag number in the animal's ear and the second photo needs to be a headshot of the animal. **Pictures need to be 2"x3" (wallet size)**. Pictures will be rejected if not in COLOR and clear.

Examples of acceptable pictures of animals with ear tag number visible.

RETURN PROJECT REGISTRATION FORM(S)
NO LATER THAN 4:00 PM ON JUNE 15, 2021,
TO THE TUSCARAWAS COUNTY OFFICE OF
OSU EXTENSION.

FAILURE TO RETURN ITEMS BY THE STATED
DEADLINE MAY FORFEIT YOUR RIGHT TO
EXHIBIT AT THE TUSCARAWAS COUNTY
FAIR.

Members may register two sheep or goat project animals with only one being eligible to exhibit at the Tuscarawas County Fair (1 serves as a backup). Back-up Animal Rule: Although not required, exhibitors may choose to have one back-up animal in the event the primary animal is unable to come to the fair. **Exhibitors are**

limited to one registered back-up project animal. If there are 2 or more exhibitors regardless of relationship, residing in the same household, they may share one back-up animal. The back-up animals need designated to a specific exhibitor in households with multiple exhibitors and multiple back-up animals of the same project. Each member may only exhibit 2 small animal projects and 2 large animal projects.

Important Notes

Tuscarawas County Junior Fair Rules state that market lamb and market goat project animals are required to have official scrapie identification by the possession deadline (June 15, 2021). These animals must have scrapie tags affixed to their ears. Exhibitors are responsible for meeting the requirements of the National Scrapie Eradication Program. For more information on how to get official scrapie tags, see the USDA Factsheet *National Scrapie Eradication Program: Animal Identification and Recordkeeping Guide for Sheep and Goats* available on our web site at go.osu.edu/tuscanimalsciences.

Members may submit information and pictures on a maximum of two animals eligible to show and sell. Member must identify at least one animal as theirs on the Project Registration Form. If a family is sharing a back-up animal, pictures and animal information must be included on each member's registration form.
