

## 202 Dog Achievement Program

The Dog Achievement Program (DAP) is not a competitive dog project. This project encourages youth to accomplish personal goals and master life skills with your dogs.

**Members enrolled in the DAP project DO NOT ATTEND county 4-H project Interview Judging.**

A project display is required for your club's fair booth. The project book cannot be used as a display.

Follow project and completion requirements on Pages 2-3 of the DAP book.

In order to complete the DAP project for the current year:

- Requirements listed in the book must be completed by the fair entry deadline. If you want to receive a certificate and/or be recognized at the Ohio State Fair, the online activities need to be completed by July 15.
- Any certificates earned must be submitted to the Extension office by the county fair entry deadline for verification of project completion by the county 4-H Educator.
