184 Standardbred Horses  Intermediate Level

This intermediate-level project may be taken a maximum of 3 years. Members should build upon their knowledge, completing additional Things to Do each time they take this project.

Members do not need to purchase a new book each year. Instead, they will need to complete additional interest areas and new items under those interest areas. Keep all of these activities in a notebook.

Members must have access to a horse to complete this project.

General Guidelines

   a. Explore seven (7) Interest Areas completing at least 2 Things to Do in each area.
   b. Document all completed Things to Do in your project notebook (3 ring binder). This notebook should be cumulative and contain documentation of all completed Things to Do for each year of the project.
   c. Take part in at least two (2) Learning Experiences.
   d. Become involved in at least two (2) Leadership/Citizenship Activities.
   e. Write a one page report telling about what you have done and learned in this project.

2. Complete the 190R Equine Record Book.

3. Bring to Interview Judging:
   b. Project notebook.
   c. One page report.
   d. Equine Record Book.

4. Fair exhibit:
   a. For completion of this project, your horse may be exhibited at the Tuscarawas County Fair. If your horse is not exhibited, an educational display or 14"W x 22"H poster illustrating and describing some aspect of your project must be present in your club’s fair booth.
