132 Llama and Alpaca

All dates are listed on the Tuscarawas County Fair Livestock Requirement Summary.

1. All livestock projects must be owned, in continual care of the exhibitor, and registered by specified dates. An exhibitor is eligible to register a back-up animal.

2. All members must have a working knowledge of Llama/Alpaca Quality Assurance (QA) issues and are required to attend one QA session.

3. All optional headings in record book, including Treatment Record, MUST be completed for Interview Judging. Member should also know for Interview Judging:
   - The Pillars of Character, 4-H Pledge, 4-H Motto, and 4-H Colors.
   - Have a working knowledge of the resource handbook and complete five activities in each interest area, two Learning Experiences, and two Leadership/Citizenship Activities.
   - Be able to identify feed and forage samples that may be feed to a llama/alpaca and have knowledge about the nutritional needs of a llama/alpaca.
   - Be able to complete a written test on your knowledge of the llama/alpaca project.
   - Be able to answer questions on the conformation of a llama/alpaca and basic questions on the showing of a llama/alpaca.
   - Have a basic knowledge about the uses of a llama/alpaca.
   - Have a basic knowledge about the care, maintenance and husbandry of a llama/alpaca.
   - Be able to identify llama/alpaca diseases and the disease symptoms.

4. Please add a feed tag each time you change feed.

5. All livestock exhibitors are required to attend Interview Judging in order to exhibit their animal at the Tuscarawas County Fair. Interview judging in this project will reflect the individual's project experience. Members are to bring completed (to date of Interview Judging) 132 Llama & Alpaca Project and Record Book. If a conflict arises, a member may attend Pre-Judging by appointment only. Members are not eligible for county interview placing if they attend Pre-Judging.

6. NO LATE FAIR ENTRIES WILL BE ACCEPTED. In order to exhibit your animal at the Tuscarawas County Fair, a fair entry must be made (available from the Tuscarawas County Fair Book received at Interview Judging) and submitted to the Extension office by the deadline.

7. All fair exhibitors are responsible to provide their own bedding for their animals and all pens MUST be kept dry and clean throughout the fair. Water must be available for your animal at all times. Following the loading out of animals, all exhibitors are responsible for a thorough cleaning of their pen.

8. In the event there are not enough animals enrolled in this project to be exhibited, the member will need to place an educational exhibit in their club’s fair booth.

If you have any questions regarding your project and your advisor is unable to answer your questions, please don’t hesitate to contact the Extension office at 330-339-2337.
