150DE Duck, Exhibition (Fancy)
150GE Goose, Exhibition (Fancy)

All dates are listed on the Tuscarawas County Fair Livestock Requirement Summary.

1. Refer to your Project Record Book for the Project Background and Project Guidelines, Planning Your Project, and Report of Organized Activities. Complete suggested number of activities according to age level, and learning experiences, leadership and citizenship activities. Be able to explain or show what you did and when. Keep accurate records of expenses, income, and death of birds. NO GENERAL SECTIONS ARE OPTIONAL. Complete sections according to the Tuscarawas County Livestock Ages and levels.

2. It is recommended that you own and raise four ducks or four geese. All birds should originate from a Pullorum/Fowl Typhoid disease free flock and have documented proof or originate directly from a flock or hatchery which is a participant in the National Poultry Improvement Plan for the eradication of disease and be accompanied by documentary evidence that they meet the requirements.

3. Be able to identify the parts of your bird.

4. Be able to explain what to look for when selecting a project bird.

5. Have an understanding of housing and management of your animal.

6. Have an understanding of diseases and parasites.

7. Have knowledge of categories and breeds.

8. Have an understanding of feeding and nutrition.

9. Have an understanding of processing and harvesting your bird.

10. Have an understanding of preparing and showing techniques, how to display a bird for showmanship, and show ring ethics.

11. Exhibit at county fair two birds – either two Ducks or two Geese – preferably a breeding pair; this equals one pen.
