

Email via 4HOnline sent July 17, 2020

Happy Friday!

We launched our virtual project judging (Flipgrid for miscellaneous projects and Skillathons via Qualtrics for livestock) earlier this week. It's been a busy time! Many youth have already completed their judging and that's excellent! Remember that youth **MUST** complete their specie's Skillathon to exhibit their animal at fair in September. You can find the links to each specie's Skillathon here: go.osu.edu/2020skillathons

Youth who complete their Flipgrid videos for miscellaneous judging will be in the running for county awards. Youth who choose to receive advisor completion for their projects will NOT be in the running for county awards. You can find the flip codes, example videos and directions for posting your project video here: go.osu.edu/tusc4-hjudging

Remember that both Skillathons and Flipgrid will be live through July 31.

Thank you to the many families who filled out the miscellaneous project survey to tell us if they planned to complete their project by Flipgrid, advisor completion or if they have dropped the project. We still have quite a few that we have not received responses from though so please fill out the survey as we are beginning to contact judges and need to know which categories need judged. You can find it here:

https://osu.az1.qualtrics.com/jfe/form/SV_ctlQ6CA87akbwFv

Advisors: I have been getting some questions about how to do advisor completion and how and when to get that feedback to us. Look for more information toward the end of next week about that. We have posted a miscellaneous project evaluation form on our website and that can be found here: <https://tuscarawas.osu.edu/program-areas/4-h-youth-development/4-h-project-interview-judging> if you want to get started! Astra made it into a fillable PDF for your convenience.

*Remember that our office is opened on half days Tuesdays, Wednesdays, and Thursdays by appointment only. Email is still the best way to reach us. If you're dropping something off, just place it in the black drop-box by the front door.

JR. Fair Schedule

We continue to get questions about what the fair schedule will look like. The Senior Fair Board meets next week for their monthly meeting and we hope to have an official vote on the proposed schedule then. Once it's official, we will release that information! Thank you for your continued patience!

Small Animal Fun Show/Pet Rabbit Show

With the heat, we're going to postpone the pet rabbit show, which was originally scheduled for next Saturday, July 25. The Small Animal Fun Show was also scheduled for that day but will be postponed as well due to various circumstances.

Have a nice weekend!

Kiersten
