

Email via 4HOnline sent July 31, 2020

Hello everyone!

It's so hard to believe it's already the last day of July but we're inching closer and closer to fall and that means "fair time" in Tuscarawas County. Today is the FINAL day for both livestock skillathons and miscellaneous projects to be submitted on Qualtrics and Flipgrid, respectively. Both platforms will be taken down at 11:59 p.m. Remember that in order to show an animal at fair in September, your livestock skillathon MUST be completed as this has taken the place of our normal judging at Midvale Elementary.

You can find the information about judging here: <https://tuscarawas.osu.edu/program-areas/4-h-youth-development/4-h-project-interview-judging>

Livestock Skillathons: <https://go.osu.edu/2020skillathons>

Flipgrid for Miscellaneous: <https://go.osu.edu/tusc4-hjudging>

For those who submitted Flipgrid videos, please remain patient with us while we work on sending all of the information out to the judges. We will not have results within a few days like what we are used to. Most likely it will be mid-August so we can give the judges enough time to do their jobs.

4-H Committee Scholarship

The 4-H Committee's annual scholarship application has been updated and posted on our website. The Tuscarawas County 4-H Committee is sponsoring scholarships for 2020 in the amount of \$250 each. Individuals who are high school seniors, in their final year of 4-H, are currently enrolled or will begin their studies at an accredited post-secondary institution in any course of study may apply. Applicants must also have been in the Tuscarawas County 4-H Program for the last 5 consecutive years.

The scholarship was established by the Tuscarawas County 4-H Committee. It is in honor of friends and fellow leaders who have been quite active in the local district 4-H programs. It was established to aid current 4-H members to continue their efforts towards obtaining a Certificate/Associate or Bachelor's Degree. This is a one-time only scholarship.

Market Chicken Pick-Up

Market Chicken Pick-Up was scheduled to take place this week but we were informed by the hatchery that they will be shipping us the birds next week instead. Once we've received confirmation that the birds have been shipped, we will send out notice to members enrolled in the project and advisors. Thank you for your patience and we apologize for any inconvenience.

Fair Entry Reminder

Fair entries are due a week from TODAY! Please make sure that fair entries get submitted to the Extension Office **no later than 4:00 p.m. on Friday, August 7!** Senior Fair Board is very strict on this rule so please remember to get your form turned in on time. As we are only open by appointment for limited hours on Tuesdays, Wednesdays, and Thursdays, please place fair entry forms in the black drop-box by the front door of the Extension Office. It is checked regularly. You can still pick up fair entry forms in the Jr. Fair supplement in the grey plastic tote next to the drop-box OR you can download the form and print it from the fair's website here: <https://www.tusccountyfairgrounds.com/fair-books.html>

Thank you for your patience as we've been navigating new forms of judging this year! Not only was it new to you, but it was new to us, too, so we appreciate your patience and cooperation.

Have a great weekend!
Kiersten
